We are thrilled to be a part of the transformation of Evergreen... [Read More](#)

Central Oregon Will Again Grow Faster Than the Nation

By Roger Lee | Economic Development for Central Oregon | Cascade Business News 2/7/2017 | Feb 8, 2017

Our small region comprises less than 5 percent of Oregon's population, but is producing 15-20 percent of the state's growth. [Read More](#)

Redmond School District Shows Increase in Graduation Rates

By Gina Blanchette | Redmond School District | Feb 2, 2017

On Jan. 26th the Oregon Department of Education released a report detailing four-year high school graduation rates. For the class of 2016, Redmond School District showed an 8.6% increase in graduation rates, which rose to 79.1%, outpacing the state average. [Read More](#)
