New Tax Rules in 2020: The Game-Changers in Economic Development

By REDI Staff | Nov 19, 2019

With the tax season soon approaching, we wanted local businesses to be informed of a couple of new tax law changes beginning in 2020. Please note, REDI is not the expert on this topic. It is important that you speak with your tax professional about these new laws.

Central Oregon's Manufacturing Make-over

By REDI Staff | Nov 5, 2019

Twenty years ago, industries in wood products, mills, boats and motor coaches were the main trades in Central Oregon's economy. Over time, we have seen a manufacturing makeover in the region. Today, we see a much more diverse set of industries in manufacturing.
