Growth Brings Positives to Redmond Community

By REDI Members: Courtney Cobb and Craig Hunt | Dec 28, 2021

Looking at photos and listening to stories about Redmond over 20 years ago, the changes to today are astounding. Redmond lives up to its 'The Hub' moniker as more businesses, manufacturers and people are moving into the area.

Redmond Economic Development, Inc. Board member and local business owner Craig Hunt has watched the area change, grow, and move forward.

A Time to Thrive

By Mary Knight | Dec 6, 2021

At the cross section of Highland Avenue and North Highway 97 in Redmond a prominent structure titled 'The future of Flight' stands to remind Redmondites and it's visitors, there are times to reap and a time to sew, a time to weep and a time to laugh; a time to tear down and a time to build; a time to scatter stones and a time to gather them, a time to search and a time to give up, and more. Redmond has been through many times of uprooting and times of planting. No matter which direction you see the wind blowing... [Read More](#)

9th Annual Made In Redmond Tour

By REDI Staff | Oct 15, 2021
9th ANNUAL MADE IN REDMOND TOUR

Did you know?

? you can print 3D images with metal particles for use in outer space?

? there is outdoor gear made for worn skin and aching muscles?

? portable silence is crafted and used by popular singers and songwriters across the globe?

All these and more are manufactured and traded here in Redmond. Have you ever driven by industrial buildings in Redmond and wondered what takes place inside? Continue reading to find out.
