Nosler Inc's Redmond Expansion and Hot Topics in Housing Trends

By Mary Knight | Dec 7, 2023

Recently, over 120 of Redmond's community business leaders and neighbors gathered at the REDI News & Brews event at General Duffy's Annex. The purpose of this event is to stir conversation about local factors impacting Redmond's economic growth and to introduce Redmond citizens to leadership from a local manufacturing company with the goal of telling the REDI story and how we help foster growth in the community to prosper and thrive.

REDI Celebrates 2023 Thrive Award Nominees

By Courtney Cobb - REDI Board Member | Sep 7, 2023

Redmond Economic Development, Inc. is excited to celebrate the four nominees for the 2023 Thrive Award. The Redmond community continues to grow and thrive thanks to a variety of events, organizations, and initiatives put forth by residents.

This year's nominees embody the spirit of the community and help the local area continue to flourish economically. The nominated projects include the Bethlehem Inn Redmond, Jaqua Field, NeighborImpact Child Care Resources and the Redmond Executive Association Crab... [Read More](#)

The Importance of Manufacturing in Redmond

By REDI Staff | Sep 7, 2023

Recently, Mayor Fitch proclaimed June 9, 2023, as this year's 'City of Redmond Manufacturing Day'. Redmond Economic Development Inc celebrated the event by hosting its 10th Annual Made In Redmond Tour. This event aims to further expose the industrial and manufacturing sectors to the community and to educate the community on the importance of building wealth through procuring business expansion and recruitment to Redmond. REDI visited four companies: Bridge Masters, Inc. I3D manufacturing, Medline ReNewal, and... [Read More](#)

The De Leone Corporation: More than a Sticker Company

By Mary Knight | Nov 8, 2022

Redmond is well known in central Oregon as the "Hub" of many things; manufacturing being one of them. Like spokes on a wheel, Redmond has a diverse set of trades industries. Tucked away in an unassuming building next to the Bottle Drop on Lake Road, one of Redmond's longest running manufacturers has a strong family history that still thrives today: The De Leone Corporation.

Making an Impact in Redmond with Local Youth

By Courtney Cobb - REDI Board Member | Sep 19, 2022

Central Oregon Native, Bre Wilkins, looks forward to working with young people in her new position as the Redmond Internship Coordinator for the Youth CareerConnect program (YCC).

"Working with young people and helping them find their unique paths has always been a passion of mine," says Bre. "Because I grew up in Central Oregon, I was already familiar with many of the great resources students in the area have access to."
